Spring Fling 2010

May 28-29-30 2010

Driving Season Launch Party Annual Spring Fling – Hosted this year by the MGCCT

Each year the Toronto Triumph Club and the MG Car Club of Toronto alternate hosting the Annual Spring Fling event. This has become a tradition in both clubs and one of the first driving events of the season where we get to share our love of LBC's, our friendly rivalry with the 'other marque' and rekindle the spirit of camaraderie with our local Toronto LBC enthusiasts.

This year, MGCCT decided to invade the [Stratford](#) region of Southern Ontario. We will commence on Friday night at the [Festival Inn](#). Saturday we will tour east, then north of Stratford to Millbank, spending an hour in the cheese factory, the Amish furniture store and Anna Mae's bakery. Make sure you collect your Poker Run cards as you go. Our tour will continue through rolling countryside south to St. Mary's where we will have lunch and car show at [Milt Dunnell Park](#). You will purchase a lunch of your choosing from one of the restaurants close to the park. Saturday afternoon you are free to hang around St. Mary's, visit [The Canadian Baseball Hall of Fame](#) or return to Stratford to shop picking up your last Poker Card from [Klomps Nursery](#) [stop and have a look around – they have some amazing things in there].

While not officially part of Spring Fling, some interested parties may want to also add a Thursday night stay-over so that you can tour the [Stratford Costume Warehouse](#) on Friday morning and take in a 2PM Matinee Performance of [Evita](#) [actually opening on May 28 so book early] or [Jacques Brel Is Alive and Well and Living in Paris](#).

Our organized activities will be completed at the buffet banquet on Saturday night at the Festival Inn.

On Sunday you might want to take in the car show being sponsored by the Stratford Optimist Club or you might go to a matinee show in Stratford or shop before you return home.

SPRING FLING 2010 CAR SHOW: Each year we have a car show... continuing with the style MGCCT started in 2008 and TTC continued in 2009 we will use this methodology:

- Each car can win a maximum of one award. If a particular car wins the most votes in multiple categories it will be awarded Best in Marque and the other awards will be distributed by vote count.
- MG owners will vote for only Triumph Cars; Triumph owners will vote for only MG Cars.
- Both Driver and co-pilot will receive a ballot.
